Curriers Lakeview Lodge – Group Reservation Contract

Curriers Lakeview Lodge is a 20-room lakeside property. Because of our size and the high demand for reunions, weddings, and group gatherings, reservations involving multiple rooms require special policies.

This contract outlines the requirements for group reservations.

Group Responsibility

- All reservations listed under this agreement are considered part of the group booking.
- While each room may be booked individually, **the primary group leader signing this contract assumes financial responsibility for the entire group reservation, regardless of whether individual guests cancel.**
- Each guest will receive a standard email confirmation stating our **14-day cancellation policy. However, this group contract supersedes that policy, and the following terms apply.**

Policy for Groups of 5–9 Rooms

Cancellation Deadline

- Cancellations made **60 days or more prior to arrival** will be refunded in full.
- Cancellations made **less than 60 days prior to arrival** are non-refundable, and the group leader is responsible for full payment of the reservation.

Payment Schedule

1. At Booking: One (1) night's deposit per room reserved.
2. At 60 Days Prior to Arrival: Full balance of the entire reservation due.

No-Show Policy

- If a guest does not arrive, the full charge for their reservation still applies.

Property Use Expectations

As a lakeside lodge with other guests on property, groups are asked to:

- Avoid blocking lake views with large tables, tents, or inflatables.
- Share fire pits, propane grills, dock space, and other common areas courteously.

- Observe quiet hours and remain respectful of all guests.
